3. Revitalizing Principles of Community

AVC Forbes Berthoud presented on Council's continuing exercise of revitalizing the Principles of Community, a twenty year old document.

- Introduced a document in progress that shows linkage from Principles of Community to UCOP and UCSD policies and procedures. (EDI Office follow-up will include verifying these policies with responsible departments/staff.)
- Discussion
 - Students, staff and faculty need resources (to know where to go for action)
 - o Make POC more visible not just something you get first day
 - More education and training is needed, in addition to the policy mapping
- Outlined next steps
 - o Take POC to constituent groups
 - Ask for time on agenda to discuss with the group
 - Questions to ask constituent group members and have them submit here: https://goo.gl/forms/QZ0VCQvmJrsakimW2
